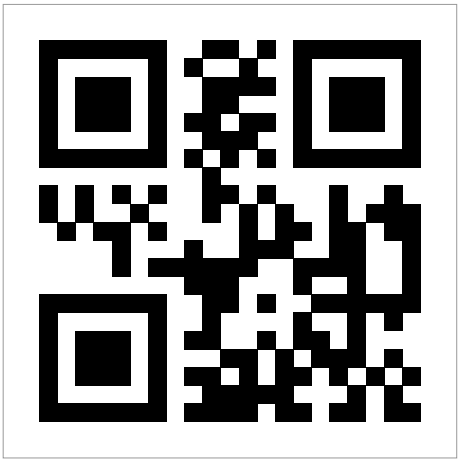
so101-ar-cobot base plate markers - print at 100% / actual size

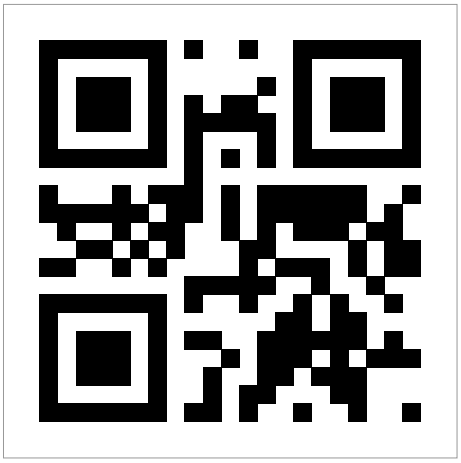
Check the 100 mm bar. The top edge of each code points to the triangle next to its recess.

W1 'so101-W1' top edge to the triangle



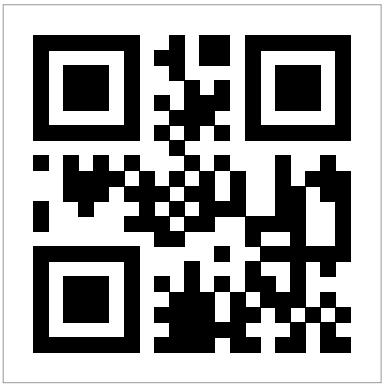
60 mm, cut on the grey line

W2 'so101-W2' top edge to the triangle



60 mm, cut on the grey line

W3 'so101-W3' top edge to the triangle



50 mm, cut on the grey line
